

WHAT FUN WILL YOU FIND AT THE WELD COUNTY FAIR?

WELD COUNTY FAIR EST. 1918

The Weld County Fair offers free family fun and experiences for all fairgoers! This is a county fair like no other and one not to be missed! True to our roots, the Weld County Fair strives to provide everyone the opportunity to enjoy traditional fair activities alongside new attractions that highlight Colorado's agriculture.

Come see livestock throughout the week, displays from 4-H, FFA and community members of all ages while enjoying delicious foods and a variety of vendors.

In 2019, the Fair's Junior Livestock Sale was the top grossing in Colorado - bringing in over \$1,000,000! Our youth raise and show incredible livestock, and the community proudly supports their hard work and dedication.

Load up the entire family, grab your neighbors and haul in your friends from across the state to come enjoy the Weld County Fair at Island Grove Regional Park this summer!
